SoftClipsTM

Clip-Art is an extensive collection of high-resolution, bit-mapped images that are designed for word processing, desktop publishing, video, and multimedia uses. There are four separate volumes in the SoftClips collection: Classic Clip-Art, People Clip-Art, Collector's Clip-Art, and Animal Clip-Art. Each 4-disk volume contains several hundred useful images created by professional artists. Add a touch of class to your printed materials and video presentations with high quality images of borders, symbols, computers, travel, people, animals, food, international icons, desk items, tools, holidays, and more!

*Offer good only on orders made directly through SoftWood and participating dealers.

Add a professional touch to your pages with SoftClips™

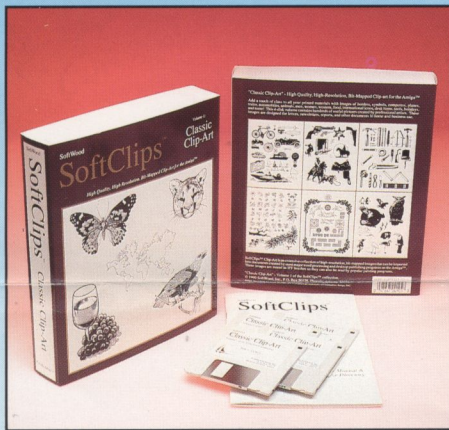

SoftWood is proud to announce SoftClips™, a new addition to our line of software for the Amiga. SoftClips™ is a multiple volume collection of high resolution, bit-mapped clip-art. These images were created by professional artists for desktop publishing, word processing, video, and multi-media uses. According to the response we have received, SoftClips™ contains the most useful images of any clip-art collection available on the Amiga.

SoftClips™ can be used with any Amiga program that supports IFF brushes including AmigaVision™, Professional Page™,

Pen Pal™, Excellence™, Pro Write™, Scribble™, Page Stream™, Deluxe Paint™, and many others. They may be used full sized or scaled and sized to produce great looking output on any printer whether it is 9 pin, 24 pin, ink jet, or laser. Currently this collection contains four volumes: Classic Clip-Art, People Clip-Art, Collectors Clip-Art, and Animal Clip-Art. Each volume consists of 4 disks, is attractively packaged, and contains a User Reference Manual that displays all images included in the product.

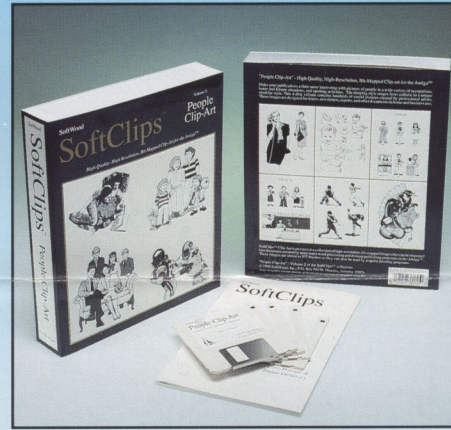

Volume 1: Classic Clip-Art

Volume 1, with over 1300 useful pictures, will add a touch of class to all your printed materials. Select from a large variety of images including: borders, symbols, computers, planes, trains, automobiles, animals, men, women, food, international icons, U.S./world maps, desk items, tools, holidays, and more.

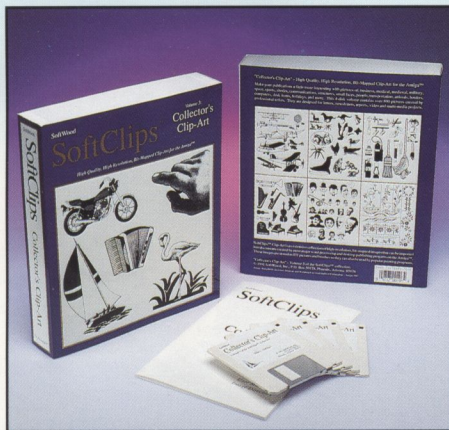

Volume 2: People Clip-Art

Volume 2 contains over 490 pictures of people that will appeal to users of all ages. The drawing style ranges from realistic to a unique modular style. These images make publications more interesting with pictures of people in a wide variety of occupations, home leisure situations, and sporting activities.

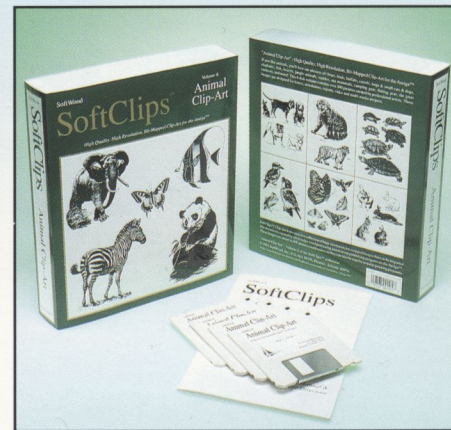

Volume 3: Collector's Clip-Art

Volume 3 contains over 800 pictures designed for letters, newsletters, reports, and other documents in home, business or educational use. These images personalize printed materials and video applications with a variety of pictures including animals, borders, buildings, communication, construction vehicles, logos, medical symbols and supplies, medieval costumes, military, space, sports, transportation, and more.

Volume 4: Animal Clip-Art

Volume 4 contains over 300 pictures of all types of animals, insects, and reptiles. People who like animals or the great outdoors will love our pictures of bears, buffalo, camels, cats, dogs, elephants, fish, insects, jungle animals, reptiles, sea mammals, zebras, and camping, fishing, and hunting gear.

Amiga owners who purchase any of the SoftClips™ volumes will find each disk packed with high-quality graphics for a variety of situations. The wide diversity of images provide a perfect picture for just about any occasion. The large quantity of pictures ensures a terrific value.

Each volume of the SoftClips™ collection has a suggested retail price of \$79.95. For a limited time, SoftWood and participating Amiga dealers are offering these volumes for \$49.95 each.

Amiga owners who want quality clip-art at a reasonable price will not find a better collection than SoftClips™!
